## Project Screenshots:

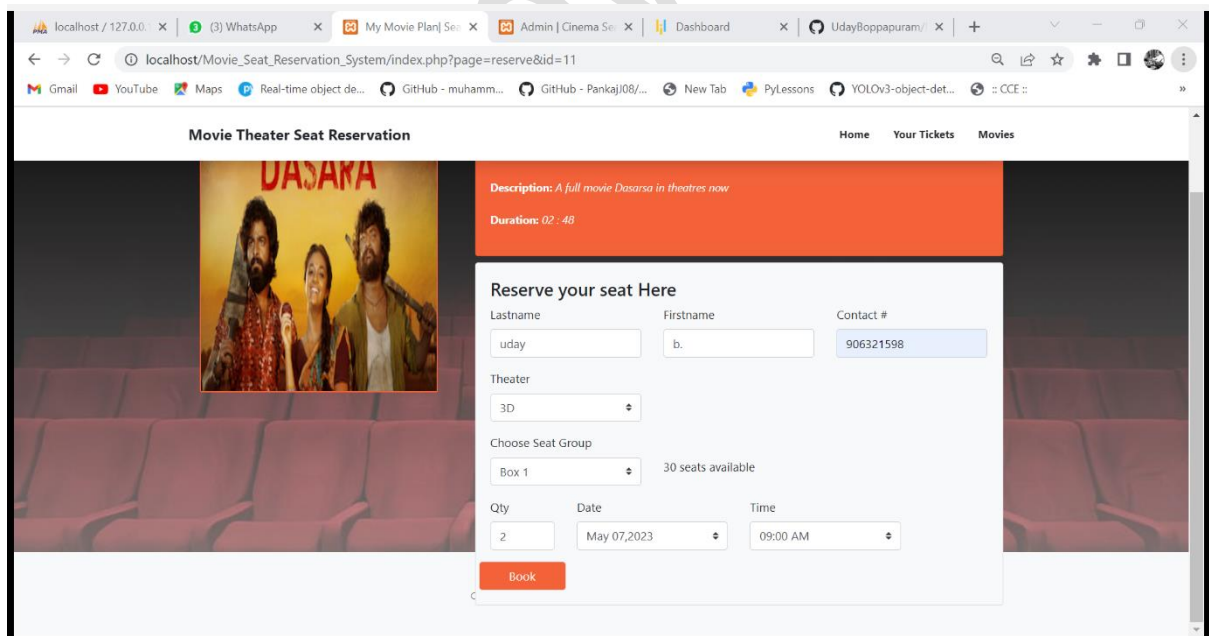

## Select the movie:

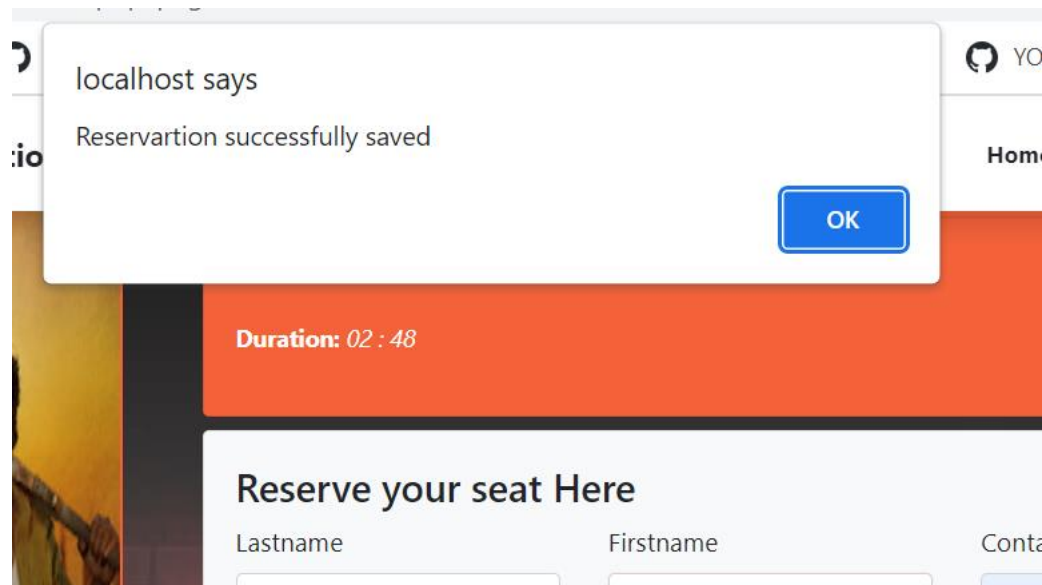

The screenshot shows a web browser window with the URL `localhost/Movie_Seat_Reservation_System/index.php?page=reserve&id=11`. The page title is "Movie Theater Seat Reservation". On the left, there is a movie poster for "DASARA" featuring three actors. On the right, the movie details are displayed in an orange box: "Dasrara", "Description: A full movie Dasara in theatres now", and "Duration: 02 : 48". Below this, a white box titled "Reserve your seat Here" contains a form with fields for "Lastname", "Firstname", "Contact #", and "Theater". A red "Book" button is at the bottom of the form.

## Fill the details and book

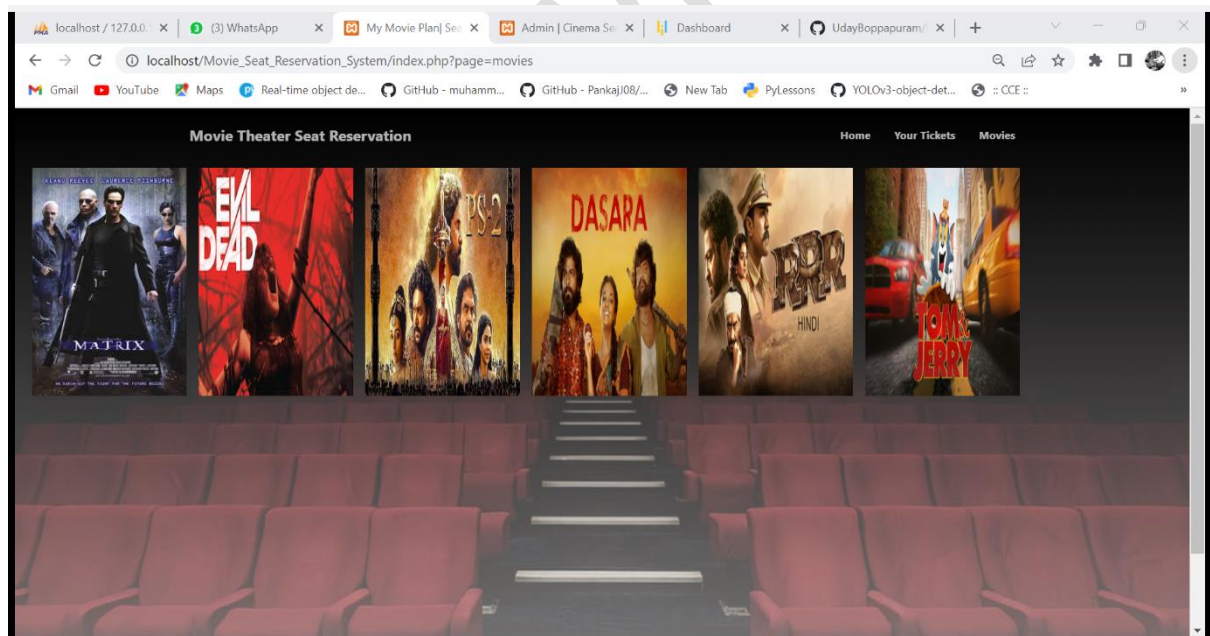

The screenshot shows the same web browser window, but the form is now filled out. The "Lastname" field contains "uday", the "Firstname" field contains "b.", and the "Contact #" field contains "906321598". The "Theater" dropdown menu is set to "3D". Below this, there is a section for "Choose Seat Group" with a dropdown menu set to "Box 1" and a note "30 seats available". At the bottom, there are fields for "Qty" (set to "2"), "Date" (set to "May 07,2023"), and "Time" (set to "09:00 AM"). A red "Book" button is at the bottom of the form.
